In the Matter of:

THE NOTICE OF PURCHASED)
GAS ADJUSTMENT FILING OF) CASE NO. 6741-F
CAPITOL OIL AND GAS COMPANY)

O R D E R

On February 21, 1978, the Commission issued its Order in Case No. 6741 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On August 23, 1984, Capitol Oil and Gas Company ("Capitol") notified the Commission that its wholesale cost of gas would be increased by two of its suppliers effective on and after August 1, 1984, and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) Capitol's wholesale cost of gas was increased by its supplier Panbowl Production Company, Inc., in the amount of \$0.28 per Mcf.

(2) Capitol's wholesale cost of gas from its supplier Capitol Producing was increased \$0.32 per Mcf.

(3) Capitol's notice of August 23, 1984, set out certain revisions in rates which Capitol proposed to place into effect on and after September 20, 1984, said rates being designed to pass on the overall wholesale increase in gas cost in the amount of \$102,068.

(4) Capitol's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 6741 dated February 21, 1978, is fair, just and reasonable and in the public interest and should be effective with gas supplied on and after September 20, 1984.

IT IS THEREFORE ORDERED that the rates in the Appendix to this Order be and they hereby are authorized effective with gas supplied on and after September 20, 1984.

IT IS FURTHER ORDERED that within 30 days of the date of this Order Capitol shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 14th day of September, 1984.
